THE WESTERN SECTION AMERICAN UROLOGICAL ASSOCIATION, INC.

## PRESIDENT'S MESSAGE BY DEAN HADLEY, MD - WELCOME TO KAUAI

While you have been blasting away at disease and suffering, the Western Section has had your back. While you've been keeping up we've been trying to make it easier.

We have been to the Joint Advocacy Convention in Washington DC, where our own Jeff Frankel led us as the AUA Health

Policy Chair. We spoke our opinions with our representatives there. If you don't like our positions, join us with your voice next year. If you do, join us with your contributions to UROPAC.

We've been paying the rent, and keeping the institution solvent. The Budget is balanced, the books are audited, the bylaws are tweaked. The dues are collected; no small feat. The committees filled.

We have given the awards, including our AUA Leadership Program Scholarships to Drs: Sean Stroup, Hillary Copp, and Jonathan Bergman. Be sure to congratulate them.

Our annual meeting in Kauai - October 22 to 28 is coming together with our General Chairman, Joe Sterbis leading. The hotel is fresh and first rate. The room price so favorable, we needed to add hotel space to support the response. The hotel has been raised to Grand Hyatt standards and is impeccable. Prepare for your spouse to have more fun than you! Yes, you can skip a few sessions, but be careful what you miss.

The Program Committee has been planning the sessions in Kauai. Joseph Presti, our WSAUA Secretary

and Program Chair is putting together the learning sessions. What a wealth of talent we have in the Western Section; Program Planners that seem to know everyone in their subspecialties. There will be 226 posters alone, all eligible for prizes.

The Tumor board in Indian Wells was so good, no one left the meeting. It will be back in Kauai. The Residents Bowl will be back, entertaining as always. Food, sports, friends, ideas, exhibits and the ocean.

You will love the results in Kauai. Come to learn. Come to run for office in the Section. Come to learn what you need to know. Come to the business meeting and have your say. See people you want to see. Mahalo.

## Secretary's Say

Joseph C. Presti, Jr., MD

Our 92nd Annual Meeting will soon be here - October 23-28, 2016 at the Grand Hyatt Resort. Thank you all who submitted abstracts - we received over 385! By attending the meetings, you are able to present, attend the sessions with expert presenters, network and socialize with colleagues and industry, be a part of a dynamic group of people - all of which is important to stay connected and stay relevant to all of the changes and updates in our specialty. We have a diverse selection of moderators, panelists, state of the art lecturers from all of the WSAUA educational institutions.

With over 380 different types of presentations, there is something for everyone. Sessions include posters, videos, practice management courses, Health Policy Forum, Postgraduate Review & Examination Preparation Courses (PREP-C), scientific sessions, GU Tumor Board, Round Table Program. We are integrating more audience interaction in the sessions using your smart phone.

We are again excited to host our 4th Annual Resident's Bowl during the meeting!! We have had a wonderful response from all of the teaching institutions to have their residents

## Stay Connected - Stay Relevant

participate in this fun and educational activity. The winning team will represent our Section at the National AUA meeting. Please notify me of your Residents who wish to participate at [info@wsaua.org](mailto:info@wsaua.org).

There are many opportunities for award recognition. For Residents, there are Scholarship Awards, Resident Research Essay Contest, Health Policy Essay Contest, and History Essay Contest. There are also award opportunities for the Poster Session Awards, and Trick of the Trade and Bizarre Case Awards during the Round Table Program. Submit to win and enhance your resume!

We have three great Postgraduate Exam Preparation Courses (PREPC)— ALL AT NO EXTRA CHARGE! (see pg.1) We have also added a new session - GU Tumor Board which was very well received last year - don't miss it!

Go to [www.wsaua.org/kauai](http://www.wsaua.org/kauai) to view the entire 92nd Annual Meeting Program Book.

Your benefit is sharing your information with large audiences, recognition by your peers, winning awards, networking & socializing with colleagues, engaging with industry, updating your skills, learning new practice tools, preparing for new healthcare changes and being a part of what is going on in Urology! We look forward to seeing you!

**See you all in Kauai, Oct. 23-28, 2016!**
